IMPORTANT INFORMATIONACCEPTABLE GRADES

Grades of B- or better are required in all courses applied to the program for those students beginning in Fall 2016 catalog or later. Grades of B- or better are required in core courses and Capstone/Thesis; and C or better in electives for those students beginning in an earlier catalog. In order to remain in good academic standing and to receive his/her degree, a student is required to maintain at least a B (3.0) GPA, which includes all work required for the Dual MPA/MCJ degree while taken at UCCS (classified and unclassified) and may differ from the University GPA.

REPEATING COURSES

A student who receives a grade below B in a course may repeat that course once, with the approval of the MPA or MCJ program director, provided the course has not been previously applied toward a degree. The grade received in a repeated course may substitute for the original grade and only the latter grade will be used in calculating the student's MPA/MCJ GPA for graduation; however, all grades received during the student graduate school experience will appear on the student's transcript and will be used in calculating the student's UCCS GPA.

CERTIFICATES

Students may choose to focus electives so as to earn one or more graduate certificates concurrently with the Dual MPA/MCJ degree. Graduate certificates available to Dual MPA/MCJ students through UCCS include: Nonprofit Management; Homeland Security and Emergency Management Leadership; National Security Intelligence; and Grant Writing, Management, and Program Evaluation. You must submit a Certificate Declaration form to Crista Hill in the School of Public Affairs in order to pursue a certificate(s).

INTERSHIPS

Pre-service students (those without sufficient professional work experienced in a public administration or criminal justice field) are also required to complete a three-credit internship course. The director of each program examines the student's application to the program and determines whether an internship is appropriate or should be waived. Students are notified of this decision in their admission letter. Students who believe vital experiences have been overlooked may ask the MPA and/or MCJ program director to reconsider the decision by submitting a written request. The internship course is not available for in-service students.

CAPSTONE VS THESIS

Please discuss your options with your faculty advisor early in your program. A Capstone/Thesis orientation is held in both the fall and spring and is open to all School of Public Affairs graduate students. All core courses must be completed before enrolling in Capstone or Thesis.

GRADUATION

Students should meet with their faculty advisor or the Graduate Recruitment and Retention Specialist periodically to ensure they are meeting the requirements for graduation. Please apply for graduation at the beginning of the semester in which you intend to graduate. Deadlines and forms are found here: <http://www.uccs.edu/~graduateschool/>.
