

Your Capstone & the Library  
**In Five Slides or Less**

# Library Services

## You'll need a mixture of resources for your literature review.

Search the **Kraemer Library Catalog** for books  
...if we don't have it, we can use **Prospector** or **WorldCat** to get the book for you.

Use **Databases** to find peer-reviewed journal articles  
Check out:

- Public Administration Abstracts
- Business Source Premier
- Criminal Justice Periodicals Index
- Social Sciences Citation Index

If you've no idea what these are, take notes on the next slide.
